

# West Middle School Hassle-Free Fundraiser

After many years of magazine sales, West has found success with a Hassle-Free Fundraiser. West's Hassle-Free Fundraiser is a convenient way for families to help West raise funds to enhance the educational experience of our students. There is nothing to sell and nothing to deliver. All the money raised will go directly to serving our students.

Based upon survey responses and our needs, we have set our fundraising goal at \$20,000. While any donation is greatly appreciated, donations of \$25.00 per child will allow us to meet our goal.

Over the years, our fundraising has supported the purchase of PE equipment such as mats for the gym and athletic equipment, Science Olympiad activities, Robotics team support, Bulldog of the Week reward, PBIS supports and activities, grade level student assemblies with guest speakers, Brain Pop subscriptions/licenses, student desks, eighth grade ceremony and classroom supplies. Additionally, we have been able to support the West Music Program with instrument repairs, festival costs and related expenses. This past year the audio system in the Gym was upgraded and a new video projection system and screen were added. In addition to the above, this year, donations will be used for replacing and upgrading equipment used for choir, band and stage performances.

In addition to being able to purchase the much needed equipment listed above, we will continue to fund the items from previous years. If we meet or surpass our goal of \$20,000, the remaining money will be used to directly benefit student programs (award ceremonies, field trips, assemblies, etc).

Please consider making a cash donation to the West Middle School Hassle-Free Fundraiser.
