

Elementary Student-Run Credit Unions

A partnership between your school and Community Financial

Why?

- Because successful personal money management is a learned skill.

What Happens?

- Selected classes run a live student credit union branch at school.
- Membership is available for all students at the school. Accounts can be opened on-line at cfcu.org/scu, over the phone, or at any CFCU branch.
- Students can also transact at our branches, or on our website at: www.cfcu.org. Students can continue to use their accounts at all five Plymouth-Canton middle school student-run credit union branches as well.

What Do Student Credit Union *Members* Learn?

- Successful savings habits.
- Financial literacy terms and procedures.
- The process of depositing cash and checks into an account.
- How to set financial goals.

What Do Student Credit Union *Volunteers* Learn?

- How to complete a job application.
- Interviewing etiquette.
- Cash handling, customer service, and marketing skills.

Financial Education is Important!

- We also offer classroom presentations on:
 - Checking accounts
 - Credit
 - Budgeting
 - Any financial topic chosen by the teacher.

College Scholarships Available!

- Available for senior high school student account holders.
- Visit our website at www.cfcu.org for more information.
