

Community Rewards Registration Step-by-Step Guide

Kroger Community Rewards

Are you looking for a way to raise money for your favorite school, church or community organization?

Kroger Community Rewards (KCR) makes supporting community organizations as simple as shop, scan and earn! Once you've registered, a percentage of each of your shopping trips will be contributed to the organization you've selected every time your card is scanned.

Registering is as simple as updating the Community Rewards field on your My Account page* with the information of the organization you wish to support.

The following is a step-by-step guide to walk you through the registration process. Afterwards, there is a brief "Help Section" to answer any additional registration process questions that you may have.

*An Online Account is required to register for Kroger Community Rewards. If you have not registered an Online Account, please refer to the accompanying "Online Account Registration Step-by-Step Guide." Once you've registered an Online Account, come back to this guide to complete the Community Rewards registration process.

Select "Sign In" on our homepage.

Help Section

Below are the answers to our FAQs followed by some commonly encountered errors and their solutions.

DIFFICULTIES ENTERING YOUR CARD NUMBER OR ALTERNATE ID

Do I have to have my 12 digit card number to register for an online account?

Registering your card number is not required; however, it is strongly recommended. Many of the benefits our website provides you are derived from registering your card number (see “Online Account Benefits” for complete details).

It’s not accepting my card number or alternate ID; what’s the problem?

First, make sure you’re entering the whole twelve digit card number or alternate ID, with no spaces or dashes. Second, it’s possible that we may have old information on your account, so the last name or zip code that you’re entering may not match. If you suspect this is the case, please call our Customer Service Center at 1-866-221-4141, between 8 a.m. and 9 p.m. EST, to have your account information updated.

REGISTERING THE ORGANIZATION YOU’VE SELECTED

I didn’t receive an NPO number from my organization administrator; what can I do?

You can search by organization name as well. Try to be as specific as possible to minimize results.

I’ve entered the organization name and the correct organization isn’t listed; what can I do?

It is possible that the organization has not registered for the program yet. Were you instructed by someone from the organization to register? If so, contact them to obtain their NPO number. If they haven’t registered yet, recommend that they visit the ORGANIZATION section of

www.kroger.com/communityrewards.

This error message occurs when the last name or zip code that you've entered to confirm your card number does not match your account. Please call our Customer Service Center at 1-866-221-4141, between 8 a.m. and 9 p.m. EST, to have your account information updated.
