Dear Miller Families,

This is a busy week in P-CCS, so I thought it important to send these mid-week reminders.

- Please watch for an email communication from Anthony Ruela, Executive Director of Middle Schools, Data, and School Improvement, regarding the fall administration of the NWEA assessment.
- **CHECK YOUR EMAIL AND TAKE OUR SURVEY** - District administrators have recommended a half-day hybrid model to the Board of Education for consideration. Of the different hybrid models considered, district administration believes the half-day model is the most instructionally sound model for our students. We recognize that all hybrid models may present challenges for our staff and families. Please check your email early this week for a link to a survey that is designed to gather your input on the subject. This survey closes on **Thursday, October 8 at noon!** Individual responses will be kept anonymous, and all results will be reported and analyzed in whole.
- P-CCS released a communication on Thursday, October 1, that included a written and audio message from Superintendent Merritt reviewing the events of the board meeting on Tuesday, September 30, as well as a video that shares in detail our rationale behind the recommendation of a half-day hybrid model. This video can be found at <https://youtu.be/oFuLilG29J4> .
- The Board of Education and district administration discussed specific elements of the hybrid models during the Special Meeting on Friday, October 2. You can view the video of this discussion as well as all Board of Education meetings at <https://youtu.be/TXjZbGf5W5l>.
- A letter identifying the cohort to which your child(ren) were randomly assigned was sent to all families on Monday, October 5. A generic copy of the letter can be found [HERE](#). This letter includes scheduling information for each cohort in either proposed hybrid model. If you did not receive this notification, feel free to email me.
