Age Waiver for 2023-24 School Year

2-Year-Old

According to Michigan Law, if a child residing in Plymouth-Canton Community Schools is not five years of age on September 1, 2023 but will be five years of age not later than December 1, 2023, the parent or legal guardian of that child may enroll the child in kindergarten for the 2023-2024 school year if the parent or legal guardian notifies the school district in writing that he or she intends to enroll the child in kindergarten.

A school district that receives this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in kindergarten due to the child's age or other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten if the student is five years of age not later than December 1, 2023.

How we will apply the law to preschool: Plymouth-Canton Community Schools' Early Childhood Program will follow the same waiver guidelines for the placement of **2-year-olds** in its preschool classes. Children who are not two years of age on September 1, 2023, but will be two years of age not later than December 1, 2023, may enroll in a 2-year-old class for the 2023-2024 school year provided they are fully toilet-trained (independent in restrooms outside of your home), and if the parent/guardian has submitted this completed waiver.
