Hate and Bias Reporting Form ([Click here](#)) This is a safe online reporting platform for P-CCS students/ families to document incidents of hate and bias in our schools or at school-related events.

## Birthday Celebrations

At the start of the school year we shared this document with families: [Gallimore's birthday treat practice](#). Please review this communication if your child has an upcoming birthday and they want to do something special at school.

When students celebrate their birthday on a school day we want to keep the celebration about the child, so we ask that families do not send in individualized treat bags for students in the class. As a school we celebrate birthdays by sharing the students name on the morning announcements and often classroom teachers have a special way that they honor birthdays as well. Also, in just a few weeks you will see information from our media center about our Birthday Book Club. If you sign your child up for this opportunity they get to choose a book that is donated to the school library with their name on the inside cover in honor of their birthday!

## Halloween Activities

We will have an outdoor Halloween parade at 10:45 a.m. Families are invited to join us outdoors on the blacktop located behind our school for a short parade of costumes. **Please note that if the weather does not cooperate the parade will be canceled rather than moved indoors.**

Please support your child at home by helping them to find a costume that is appropriate for school. Costumes should not include a lot of blood and gore, students cannot wear a mask as a part of their costume, and absolutely no "look a like" weapons can be brought to school. If a student has a question about their costume they can take a picture and send it to me via email at [aimee.bell@pccsk12.com](mailto:aimee.bell@pccsk12.com)

**Finally, if you would prefer that your child does not participate in Halloween activities in the classroom or as a part of a parade please email the classroom teacher.** This is a scheduled school day and we will have alternate activities set up, outside of the classroom, for students who will not be participating in Halloween activities.

## Family Teacher Conferences

You can expect a Family Teacher Conference sign up from your child's teacher by Monday, October 23rd. Conferences will be offered in person and via Zoom so be thinking about which conferencing format will work best for your family. We will also have two half days of school in November (November 15th and 16th) so that teachers can offer conferences during the day.
