FOR A SHORT VIDEO
FROM MRS. BELL

Let's Get Connected

Let's Get Connected!

As you know, students at Gallimore School represent schools from across the Plymouth and Canton attendance area. This means that families are less likely to know one another from the neighborhood which can make it more difficult for students and families to connect outside of school.

We have the answer! Please [watch this video](#) to learn how you can get connected via the Gallimore School Directory! **Thank you in advance for your participation!**

YOU CAN HELP ANYONE IN NEED

NHS Seniors from Salem High School are working with Gallimore Roadrunners to collect items for winter care packages to distribute to the homeless in Detroit.

You can donate

- Socks
- Hats
- Gloves
- Unopened tubes of toothpaste
- New toothbrushes
- Toilet paper rolls
- Hand warmers

Bring all donations to Gallimore's office by:
Thursday, December 7th

Caroling in Plymouth

Once again, we have been invited to participate in Christmas in Plymouth! This year, we will be caroling in front of Sun and Snow on **Thursday, December 7th!** This is a fun way to give back to our community!

A few things to know before you sign up:

- Sign-Up slots are for 30 minutes.
- This is OUTDOOR - singers should wear a winter coat, hat, gloves, and a scarf
- We will be singing Christmas carols for this event
- Festive attire welcome

- We will be singing with Discovery Middle School Choirs (which I also direct)
- This is not a school field trip; rather an optional volunteering opportunity. Parents need to stay in the vicinity of the caroling for the duration of their student's slot; **this is not a drop-off event.**
- This is a volunteering opportunity; there is no cost to participate.

Gallimore Good News!

Gallimore Robotics Teams Compete in FIRST Lego League Competition

Special thank you to Mrs. Wegrzyn for making Robotics a reality at Gallimore. Her commitment to providing this experience for our students is unbelievable! We are so lucky to have her supporting our students in this way. Also, we would not be able to have so many teams at Gallimore without the parent volunteers who have been coaching these teams each week! Every volunteer makes a difference!

Congratulations to ALL of our Gallimore Robotics Teams for proudly representing our school at the FIRST Lego League Competition!

Two Teams (The Robosaurs and Robotic Roadrunners) qualified for the State Championship!

*After the winter break the shop will be continuously open and new items added- stay tuned for details on a student design contest ❤️ Questions or concerns please contact Amanda Krinke: admin@taggallimorepfo.org

Previous Gallimore News

Gallimore SEL (Social Emotional Learning) Book Resources for Families

Does your child struggle with friendships, anxiety, or another social-emotional skill? Gallimore has a [picture book collection](#) that includes books related to common social-emotional needs that we see in students. If you are interested in checking out a book from our collection, fill out [this form](#) and someone will contact you about getting the books. Note that some of them are virtual videos. If your child has a specific social-emotional need

that is not listed, contact Ms. Gennaoui and she can support you in finding a book that meets your child's needs.

Visit our Lost and Found

Preview the items in our Lost and Found by clicking on this slides presentation ([Lost and Found-November 2023](#)). The Lost and Found will be located near the office doors this week when families visit the Book Fair and attend Family Teacher Conferences.

Birthday Celebrations

At the start of the school year we shared this document with families: [Gallimore's birthday treat practice](#). Please review this communication if your child has an upcoming birthday and they want to do something special at school.

When students celebrate their birthday on a school day we want to keep the celebration about the child, so we ask that families do not

send in individualized treat bags for students in the class. As a school we celebrate birthdays by sharing the students name on the morning announcements and often classroom teachers have a special way that they honor birthdays as well. Also, in just a few weeks you will see information from our media center about our Birthday Book Club. If you sign your child up for this opportunity they get to choose a book that is donated to the school library with their name on the inside cover in honor of their birthday!

Community Financial Credit Union at Gallimore

Community Financial Credit Union started last week at Gallimore. Students can open a bank account and learn how to save money. New students to Gallimore can participate by filling out the application at this [link](#)).

Information from P-CCS

The University of Michigan’s School of Music, Theatre, and Dance is working with high schools across Michigan to educate students about opioid use disorder through Painless: The Opioid Musical. Join us on Monday, November 27 at the Penn Theatre to see this powerful show. This special musical performance is inspired by true stories of opioid use disorder and recovery and was designed to accompany the Michigan Model for health’s alcohol, tobacco, and other drug units. Painless reinforces the information learned in the standard health curriculum by engaging students through true stories and the arts. This event is open to high school students and caregivers, school staff, and adults. [Register for Painless here!](#)

School Crossing Guards

P-CCS is in urgent need of school crossing guards for various locations across the District. The position pays \$14.25 per hour and staff work about 10 hours a week. You can view all the details by clicking on the [Crossing Guards Posting](#).
