2024-2025 School Year

Young 5s Kindergarten Enrollment Form

- *Students who will turn five years old on or before December 1st are eligible for the Young 5s Kindergarten (Y5K) class*
- *Students who will turn five years of age between September 1st and December 1st must complete a kindergarten waiver.*
- *Y5K students will be placed at their home school unless space is unavailable and warrants an “overflow” situation. Overflow occurs on the rare occasion that classes are full in the home school and students are moved to another school until space in that grade is available in the home school.*
- *Should we have limited enrollment in a Y5K classroom, we may have to offer a combination class (Y5K and traditional Kindergarten) in some instances.*
- *We follow the Michigan Academic Standards for Kindergarten. Our Young 5s Kindergarten students have the opportunity to move to first grade or remain at the kindergarten level. Throughout the year, the teacher will communicate with the family regarding development and will make a recommendation for placement in the Spring of the year.*
- *Y5K students may ride the bus if residing within transportation boundaries.*
