Vacation Form Reminder and Homework Expectations

If your family is planning to take your child out of school for 3 or more days a [Student Vacation Form](#) should be completed and submitted to the office. The form can be sent digitally to Melissa Lomibao, our office paraprofessional, at melissa.lomibao@pccsk12.com or it can be printed and sent to school with your child. Forms should be submitted 5 days before the start of the vacation.

When students are away from school it is difficult for the teacher to know the exact topics that will be covered each day during the absence. This is because classroom learning is fluid and based on student understanding of the topics and classroom discussions. For more details regarding absences related to vacation please refer to the [P-CCS Student Handbook](#). Page 36 outlines the guidelines for elementary students.

Information from P-CCS

Vote on a Long-standing Non-Homestead Millage Renewal

On Tuesday, February 27, P-CCS residents will have the opportunity to vote on a long-standing Non-Homestead millage renewal, that would continue to generate operating revenue that is essential for our district, over the next 20 years.

This is NOT a request for a tax rate increase, but simply an appeal to continue at the same funding level that has been maintained since 1994. This millage applies only to local business, industrial, and commercial property, and property that is not the owner's primary residence. That means that this millage does NOT apply to your primary residence in our community. Business and commercial property owners will continue paying the same millage rate they are currently paying.

The Non-Homestead millage represents about 16 percent of Plymouth-Canton Community Schools operating revenues each year. For P-CCS, this represents about \$33.5 million dollars of our general budget. In addition to supporting education programs and services, we use these funds for teachers, school safety officers, school nurses, counselors, social workers, food service workers and support staff who help ensure our students can learn, prepare and thrive in a safe, nurturing learning environment. If the millage is not approved, the state will not make up the gap in funding.

Eating Disorder Presentation

If you suspect your child has an eating disorder, how do you recognize the signs and find support? This special presentation on Wednesday, February 7, at 7 p.m. will cover the basics of eating and feeding disorders including anorexia, bulimia, binge eating, ARFID, and more.

Discuss:

- Common warning signs
- The first steps
- Where to find support
- How and why to intervene early

Presenters will dispel eating, exercise, and nutrition myths and provide books, websites, and support group resources. Kristie Wyler is an eating disorder specialized therapist and Director of McCaskill Family Services Eating Disorder Programming.
