

ROADRUNNER REMINDERS WEEK OF MAY 13, 2024

What's Happening?

Thank You Gallimore Families!

Our teachers and staff felt very loved last week as our Gallimore PFO and families showed love and support during Teacher Appreciation Week.

Thank you for donating our favorite snacks, caffeinated beverages, and sweet treats for the Stock the Lounge event. We also loved the breakfast treats and the amazing lunch from Pita Way! The best part of it all was the supportive words shared during Chalk the Walk and Thankful Thursday. We have many adults smiling from ear to ear as they read notes, posters, and cards from students. A few kind words go a long way!

Our Gallimore School Community always shows so much kindness. Thank you for all you did to support Teacher Appreciation Week!

Chromebook Take Home Program Reminder

If your child participates in the **P-CCS Take-Home Program**, it **officially ends Friday, May 17th**. This means that students will have to turn in their charger by this date. **Please use a piece of paper or masking tape to label the charger with your child's name and student number.**

Recognize a P-CCS Staff Member Who Deserves It

Do you know a great teacher, a special bus driver, a helpful secretary, or any other P-CCS staff member who deserves some extra love? Make a \$25 donation in their name to the Plymouth Canton Education Foundation. We will deliver a personalized certificate of your appreciation, recognize your teacher/staff member on social media, and enter your honorees into a drawing for a \$50 Target gift card! Donations fund teacher grants and other programs that support district families.

The annual Gallimore Fun Fair is Friday, May 31st. The Fun Fair is a fun, end of the year event, full of outdoor activities that brings our entire school community together. (You can download the Fun Fair flyer [here](#).)

To ensure that this event is a success we need your help. Please consider supporting this event in one of the following ways:

Gallimore Good News!

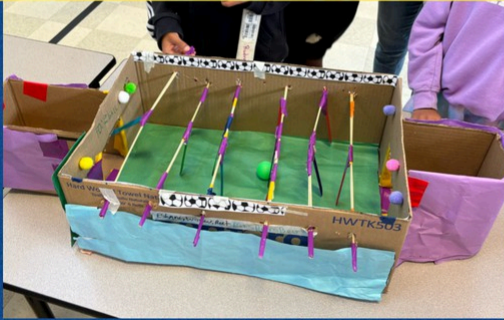

Students from the Green Warriors team presented to classrooms during the month of April. They shared presentations that they created about how to take care of the Earth. In addition to sharing

presentations with students they also spent time planting flowers. The planters near the office entrance look beautiful thanks to the Green Warriors!

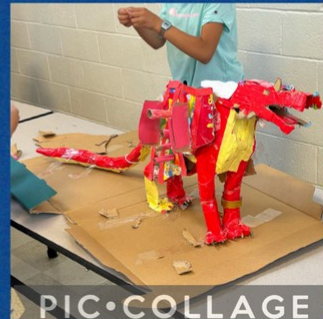

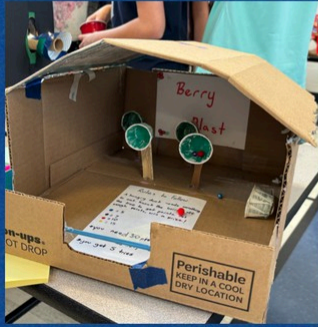

Our 5th Graders spent time in Innovation class creating arcade games. Families of 5th graders and Gallimore students were invited to play the games at the recent Arcade Fair. Everyone who participated in the event enjoyed playing the creative games!

Vacation Form Reminder and Homework Expectations

If your family is planning to take your child out of school for 3 or more days a [Student Vacation Form](#) should be completed and submitted to the office. The form can be sent digitally to Melissa

Lomibao, our office paraprofessional, at melissa.lomibao@pccsk12.com or it can be printed and sent to school with your child. Forms should be submitted 5 days before the start of the vacation.

When students are away from school it is difficult for the teacher to know the exact topics that will be covered each day during the absence. This is because classroom learning is fluid and based on student understanding of the topics and classroom discussions. For more details regarding absences related to vacation please refer to the [P-CCS Student Handbook](#). Page 36 outlines the guidelines for elementary students.
