

ROADRUNNER REMINDERS

WEEK OF JUNE 3RD, 2024

What's Happening?

Thank you to our Fun Fair volunteers

Thank you to the many Gallimore parents and family members who volunteered for the Fun Fair! This was a fun event because of the dedication and support of our volunteers! Thank you!

5th Grade Farewell Set up and Clean up

It is a Gallimore tradition that 3rd and 4th grade families help with the 5th Grade Farewell. This gives our 5th grade families time to relax and enjoy the event.

We are looking for a few 3rd and 4th grade adult volunteers to help with set up for this event on Thursday, June 6th and to help with the clean up of this event on Friday, June 7th around 11:15 a.m. Please click on this link if you are able to help: [5th Grade Farewell Volunteers](#).

Opportunity to Connect with Other Families of Neurodiverse Students

Greetings Fellow Parents,

As the mother of a neurodiverse student at Gallimore, I am excited to reach out to you with an invitation to join a community for parents of “twice exceptional” children in the TAG Program. Also known as 2e, our kids are considered twice exceptional because they are both gifted *and* have another aspect of neurodiversity – a combination that brings unique opportunities and challenges than either one by itself.

Let's come together, both digitally and in person, to share experiences, exchange tips, and support one another in raising these incredible little individuals. By connecting, we can create a network that benefits not only our kids, but also ourselves as we navigate this unique journey.

If you are interested in joining this community, please text, call, or email me by Monday, June 10. I look forward to hearing from you. From there, we can collectively decide the best ways to communicate, meet, and support each other and our children.

Thank you for considering this opportunity. Let's make a difference together!

Yours truly,

Kiran Lenz

Mother of Treya Lenz (4th Grade, Mrs. Smolenski)

Vacation Form Reminder and Homework Expectations

If your family is planning to take your child out of school for 3 or more days a [Student Vacation Form](#) should be completed and submitted to the office. The form can be sent digitally to Melissa Lomibao, our office paraprofessional, at melissa.lomibao@pccsk12.com or it can be printed and sent to school with your child. Forms should be submitted 5 days before the start of the vacation.

When students are away from school it is difficult for the teacher to know the exact topics that will be covered each day during the absence. This is because classroom learning is fluid and based on student understanding of the topics and classroom discussions. For more details regarding absences related to vacation please refer to the [P-CCS Student Handbook](#). Page 36 outlines the guidelines for elementary students.
