

The Wayne County Regional Enhancement Millage is up for **RENEWAL** and helps prepare our students for **SUCCESS.**

The current Wayne County Regional Enhancement Millage helps Wayne County students **achieve**, **succeed**, and prepare for **in-demand careers**.

This millage, originally approved by the voters in 2016 and renewed in 2022, provides important supplemental funding to our schools in addition to state funding.

100 percent of the funding is distributed equally per student to all **33 school districts** and **90+ eligible public school academies in Wayne County**.

Our schools decide how to use the money to best support their students and families, which can include:

- ✓ Improving Career and Technical Education (CTE) programs, vocational training and apprenticeship programs that help prepare students for good-paying jobs in the skilled trades.
- ✓ Helping districts hire the best teachers to reduce class sizes and provide tools proven to help students succeed.
- ✓ Supporting special education services.
- ✓ Improving school safety and security.

The economy and workforce are more competitive than ever. This millage supports programs that help Wayne County students succeed and compete for the in-demand jobs of today and tomorrow.

EXCELLENCE**

The Wayne County Regional Enhancement Millage **RENEWAL** will appear on your Nov. 5 ballot. **Make your voice heard!**

Wayne County Enhancement Millage funding can be used to:

 Reduce Class Sizes	 Hire Additional Teachers & Staff	 Stabilize District Budget
 Enhance Student Wellness Services	 Retain Substitute Teachers	 Update Technology & Instructional Materials
 Support Career Technical Education Opportunities	 Increase Teacher Salaries	 Maintain School Bus Fleet
 Improve Safety & Security	 Provide Professional Development	 Renovate and Maintain Facilities

By law, 100% of this millage goes directly to local Wayne County school districts and eligible public school academies, is distributed equally per student, and includes strong accountability and transparency measures that are monitored to ensure it produces results for our students.

If renewed, this millage will continue the less than 2-mill property tax each year for six years, beginning in 2028. A homeowner whose home is valued at \$100,000 (taxable value \$50,000) would continue paying about \$8 per month with this renewal.
