

LETTER TO FAMILIES IN CEP SCHOOLS P-CCS 2024-25SY

Dear Parents and Guardians:

Please take a moment to complete the form and return it to your student's school. The Education Benefits Form collects information needed to ensure the school receives state and federal funding for education programs. **Without this information, P-CCS schools could lose important funding for education programs that our students need.** These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional staff (ex. Reading Interventionists, Math Tutors, Academic & Behavior Aids)
- Teaching supplies and materials
- Counselors and Social Workers
- School Nurses
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

Why are P-CCS schools requesting financial information? The Education Benefits Form determines eligibility of a student or household. The total count of eligible students is used to determine the funding amounts that will be made available to a school. The more forms returned the better.

What do I need to do? Please complete the attached form and return it to your school or Nutrition Services, 454 S. Harvey St., Plymouth, MI 48170.

How will this information be protected? In keeping with current practices, any information regarding eligibility will be confidential.

What else might my student or household be eligible for? Based on the information you provide on your Education Benefits Form, your child may qualify for other programs such as:

- Pay to play or Pay to Participate
- Technology discounts
- Standardized testing fee discounts
- College application fee discounts
- Programs that provide food support
- Programs that provide field trip support
- Programs that provide school supplies or assist with school fees
- Potential household support for cable and internet

You must complete the **Sharing Information with Other Programs form**, available at the PCCS district website, to grant permission for your eligibility information to be shared.

If you have any questions, please contact Healthy.Meals@pccsk12.com call 734-416-7702.

Sincerely,
Nutrition Services
